Welcome to term 3 to all new and returning students and staff. Our library is fresh and ready for the new semester!

During the break, we made room for an extra study/class area upstairs in the back of the library. The space is available for bookings by teachers. Our team farewelled our beloved colleague who will be sorely missed.

Be sure to visit the library for the new displays and upcoming events and workshops. We look forward to serving and assisting you all this term!

Library and Information Week’s 2019 theme was truth, integrity, and knowledge.

There were an abundance of events and workshops held in the library from Morning tea, info sessions, scavenger hunt, guessing games, and National Simultaneous Storytime for Granville Child Care. We hosted Australia’s Biggest Morning Tea to raise funds for Cancer Council, hosted a flower info session and held a Masala tea making demonstration.

We would like to thank all the staff and students who came and supported the library and participated in the week’s events.

FAREWELL BARBARA

At the end of June, we said good bye to our Library Assistant Barbara. Barbara had served Granville and Wetherill Park TAFE Library for four years. While working she was studying a Postgraduate Diploma in Digital Information Management at University of Technology Sydney.

Barbara was the tech guru and in-house photographer for events in the library. Barbara has now moved onto Nepean TAFE Library to work as a Librarian. She will be greatly missed. Farewell and good luck Barbara!
